0. INTRODUCTION

0.1. OVERVIEW

0.1.1.1. This Application Document Tracker has been prepared on behalf of AQUIND Limited to support the Application for a Development Consent Order that has been submitted to the Secretary of State for Business, Energy and Industrial Strategy under Section 37 of the Planning Act 2008 (as amended) (the 'PA 2008').

0.2. PURPOSE OF THE DOCUMENT

0.2.1. INTRODUCTION

0.2.1.1. Tables 2-1 to 2-7 below provide a full list of all documents submitted with the Application, including the revision number for each document and the relevant statutory provision that the documents are submitted pursuant to. This is intended to be a live document and the tables will be updated whenever new or updated documents are submitted following acceptance of the Application or during the examination.

0.2.1.2. The tables show the latest version of each document highlighted in light green. Superseded versions will be shown greyed out. The tables will be updated to include the relevant Examination Library reference for each document once these become available on the Planning Inspectorate's website.

0.2.3. FIGURES AND APPENDICES

0.2.3.1. A number of figures and appendices associated with Application documents are submitted as standalone submission documents. This is due to their file sizes. This includes:

- the appendices of the Consultation Report (which has the document reference 5.1, and the appendices have the document references 5.1.1A – 5.1.7J);
- the appendices of the Planning Statement (which has the document reference 5.4; the appendices have the document references 5.4.1 – 5.4.5);
- the figures of the Environmental Statement ('ES') (which are contained within Volume 2 of the ES, this has the overall document reference 6.2);
- the technical appendices of the ES (which are contained within Volume 3 of the ES, with the overall document reference 6.3);
- the appendices of the Habitats Regulations Assessment ('HRA') Report (the HRA Report has the overall document reference 6.8, with the document references 6.8.3.1 – 6.8.3.4 for the individual appendices);
- the figures of the HRA Report (which have the individual document references 6.8.2.4.1 – 6.8.2.8.1).

0.2.3.2. The above figures and appendices are individually listed in the Electronic Application Index, however, due to their large number, they are not individually listed in this Application Document Tracker.

0.2.3.3. Should any of the above figures or appendices be updated after submission of the Application, the updated figure or appendix with its new revision number will be listed in Tables 2-1 to 2-7 below.
